However, the affidavit indicated that Agent Barrow was a current employee of the FBI. We affirm the district court's denial of Blackwell's motion to suppress and conviction. AFFIRMED. 6 1. Field of the Invention The present invention relates to a structural structure of a spark plug. 2. Description of the Related Art Various kinds of spark plugs are disclosed in, for example, Japanese Patent Application Laid-Open No. 2010-267946. According to Japanese Patent Application Laid-Open No. 2010-267946, in the spark plug described in FIG. 1A of the present document, an end portion of a ground electrode is disposed inside an exhaust port, and an outer end portion of the ground electrode abuts a sealing component, and the spark plug is sealed between the sealing component and the ground electrode. In addition, as illustrated in FIG. 2 of Japanese Patent Application Laid-Open No. 2010-267946, a technique of filling an insulator with a phosphor containing ceramic material is disclosed. According to the technique disclosed in Japanese Patent Application Laid-Open No. 2010-267946, the sealing component is pressed by the ground electrode during connection, so that a preload is applied to the ground electrode. This increases the strength
